OBJECTIVE

MBA candidate with an emphasis in Project Management and a Lean Six Sigma Black Belt, bringing experience across integrated marketing campaigns and more than eight years of deadline-driven operations. Experienced in coordinating cross-functional teams, managing project timelines and deliverables, maintaining clear stakeholder communication, and supporting projects from initial scope through final delivery. Skilled in managing multiple priorities, identifying process risks, developing project trackers and workflows, and maintaining high standards for quality and on-time execution. Seeking project management opportunities within creative, experiential, brand, and production environments where strong organization, strategic planning, and cross-functional collaboration are essential to successful project delivery.

EDUCATION

MBA, Project Management <i>Grand Canyon University</i>	Phoenix, AZ December 2026
BS, Criminology and Criminal Justice <i>Arizona State University</i>	Phoenix, AZ May 2018

CERTIFICATION

Lean Six Sigma Black Belt, <i>emphasis in Marketing</i> <i>Educate 360 – Lean Six Sigma Online</i>	Credential ID 177771629 March 2026
PMP 60 HRS PDU (PMP certification in progress) <i>Project Management Institute</i>	Claymont, DE October 2026
Paralegal <i>CLS Barbri – University of Arizona</i>	Tucson, AZ February 2023

PROFESSIONAL EXPERIENCE

CREATIVE PROJECT MANAGER - INTERN <i>The Team (Formerly - Wasserman)</i>	Manhattan, NY June 9, 2026– Aug 14, 2026
--	---

- **Campaign Lifecycle Management:** Supported integrated social and creator campaigns across multiple client accounts, coordinating project activity from planning and strategy through concept development, production, launch, and reporting.
- **Deliverables & Review Coordination:** Maintained production deliverables matrices tracking creative assets, feedback rounds, approvals, deadlines, and go-live requirements to help keep campaign work progressing toward launch.
- **Cross-Functional Communication:** Supported project managers in coordinating creative, strategy, production, creator, and account teams by tracking project updates, documenting action items, and communicating changes in timing, feedback, and priorities.
- **Project Operations:** Maintained timelines, project trackers, onboarding materials, workflow documentation, and account resources used to organize campaign execution and provide teams with visibility into project status.
- **Launch & Workflow Support:** Helped prepare campaigns for launch by monitoring outstanding deliverables, maintaining organized project documentation, and ensuring teams had current information across Slack, email, meetings, and shared project systems.

LEGAL SPECIALIST

<i>Polsinelli</i>	Kansas City, MI November 1, 2022- April 20, 2025
-------------------	---

- Supported drafting, filing, and transcribing legal matters across Intellectual Property, Real Estate, and Patent matters while leading a concurrent records consolidation project within a matrix environment.

- Led the end-to-end execution of a nine-month document consolidation project spanning 1,000+ case files, coordinating with the director and paralegal team to identify documentation gaps, standardize records, and complete migration into iManage.
- Contributed to firm culture through the DEI and Employee Engagement Committees, organizing staff events and representing the firm at a legal-industry DEI program in Chicago.

LEGAL COORDINATOR

Milbank (RR Donnelly)

Phoenix, AZ

March 1, 2022– October 31, 2022

- Led legal document production operations across U.S. and offshore teams, managing workflow coordination for a 26-person team spanning Phoenix and Chennai.
- Oversaw workload distribution and client request fulfillment, improving handoffs between teams and addressing delays tied to document assignment, missing-file research, and retrieval.
- Developed standardized workflows, tracking processes, and SOPs to improve turnaround time, reduce errors, and create greater consistency across the operation.

COURT SPECIALIST

Mesa Municipal Court

Mesa, AZ

June 1, 2019– April 1, 2022

- Managed end-to-end misdemeanor case operations within a municipal court environment, supporting the progression of matters from filing through hearing and resolution.
- Coordinated court scheduling, case documentation, jury operations, and interagency communication with attorneys, law enforcement, MVD, and DPS to maintain accurate records, timely proceedings, and clear communication across parties.

SKILLS

- Event planning and execution.
- Experience supporting issue tracking, reporting.
- Time management with the ability to manage multiple projects and teams.
- Creating work-back schedules, identifying risk and leading teams independently.
- Proficient in Agile and Six Sigma Methodology.
